The dates given above are a guideline for you to use in order to meet 180 days of attendance. You may set your own schedule, but you must report on time. Seniors must complete their studies and report on time to graduate (and receive their transcript and diploma in a timely manner). Only a paper copy of the Curriculum Worksheet must be mailed each semester. Please email your student's attendance. Please post the due dates on your calendar NOW to avoid the \$25/delinquent month late fee. I will email a reminder as a courtesy; however, failure to receive a reminder does not absolve your responsibility to report on time.
