

Dear School Community,

As we look toward another exciting academic year at MCS, I am continually reminded of the vital role that each of you plays in fostering a nurturing, Christ-centered environment where our students can grow academically, spiritually, and socially.

As part of our commitment to ensuring the long-term health and sustainability of our school, we are writing to inform you of an important update regarding tuition for the upcoming academic year. After careful consideration and prayerful deliberation, the School Board has approved a modest tuition increase. While we understand that this may represent an adjustment for your family, I want to share the key reasons for this decision and how it aligns with our mission and goals.

1. Supporting Our Teachers: Our dedicated teachers are the heart of our school community, pouring their time, energy, and faith into educating and mentoring our children. To honor their invaluable contributions, we are implementing a cost-of-living pay increase for our faculty and staff. This adjustment reflects our commitment to retaining and supporting the exceptional individuals who make a difference in the lives of our students every day.

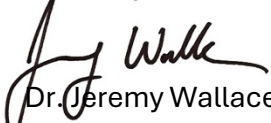

2. Ensuring a Balanced Budget: As stewards of the resources entrusted to us, it is our responsibility to maintain a balanced budget that supports the school's operations and mission. The tuition adjustment is a necessary step to ensure financial stability, allowing us to continue providing the high-quality education that defines our school.

3. Addressing Rising Costs: Like many organizations, we are navigating a landscape of rising operational costs, including utilities, classroom materials, and insurance. This tuition adjustment enables us to keep pace with these increases while preserving the programs and opportunities that make our school unique.

We understand that tuition increases can present challenges, and we are committed to working with families who may need assistance.

Thank you for your continued partnership and trust in Maryville Christian. Together, we are equipping the next generation of leaders to impact the world for Christ. If you have any questions, please do not hesitate to reach out.

Sincerely,

Dr. Jeremy Wallace
Head of School
