### Tuition Payments

FACTS gives flexible payment options so that you can select what works best for your family. Automatic payments can be made from a checking account, savings account, or credit card. Tuition paid over the summer is non-refundable.

### Need-Based Financial Assistance (Not available for PreK students)

Our financial assistance program allows families to apply for financial assistance through FACTS Grant and Aid. This company verifies each family's situation and recommends an award amount. Those who qualify for the pastor discount, multi-child discount, or alumni discount are also eligible to apply for need-based financial assistance. However, the maximum combined discount will not exceed 50% per student. Decisions concerning financial assistance will be made beginning in May.

### Continuous Enrollment Fee

The continuous enrollment fee holds a place for your child for the next academic year and covers registration costs. This fee is billed to your FACTS account in March and is due on April 15. No refunds of the Continuous Enrollment Fee will be given after April 15 if notification to decline enrollment is not submitted by April 1<sup>st</sup>.

### Student Fees

All students are required to pay an annual student fee. This fee is an investment into the facilities, technology, and curriculum of MCS. While these fees do not cover all the school's expenses in these areas, they do help offset the cost.

### Delinquent Accounts

Late payments will be subject to a late fee. Accounts that are over 30 days delinquent will be emailed, and students will not be eligible to participate in extracurricular activities. Accounts over 60 days delinquent will be mailed a letter stating the students will not be permitted to attend class after the 25<sup>th</sup> of that month until payment is made. If an alternate payment plan is needed, you must contact the Business Manager. Any default on the new payment plan would result in the student's loss of class placement. Additionally, progress reports and transcripts will not be issued, and the students are not eligible to participate in class trips.
