

Maryville Christian School After School Care Program 2023-2024

Purpose

The purpose of the Maryville Christian School After School Care Program is to provide an environment where children can be safe and supervised in the early morning or late afternoon hours when school is not in session. This program is designed to accommodate those families who are not able to pick up their children at the regular time due to work schedules.

Hours of Operation

Care is available only on regular school days. It is not available on school holidays. The hours are as follows:

Afternoon

PK - 8th: 3:30 - 6:00 p.m.

On abbreviated days (i.e., exam days in December and May) students will go into the after-school care program at the designated time (depending on when they are dismissed) and the program will close at the regular time (6:00 p.m.). Students are to bring a lunch and a snack on these days. Please let staff know this is needed in advance.

Enrollment

Enrollment is open to all MCS students in grades PK-8. Siblings of students not enrolled at MCS are not eligible for this service. Students in the aftercare program are grouped according to grade. Students will not be allowed to advance to the upper grade aftercare program until they are of the designated grade level. At the beginning of each school year, all parents who wish to enroll students in the program will be asked to complete a contract which states their responsibilities as weekly enrollees.

For drop-ins, or students not picked up at the designated time, parents will be requested to fill out a contract when the student is picked up. A completed contract must be on file by the next drop-off time in order for them to continue to be "dropped in." If a student needs to attend as a "drop-in," it is requested that **the main office be contacted during the day** so that the after-school care workers can be notified.

Insurance

Parents are required to provide proof of private insurance.

IMPORTANT: Medical care must be available to each child should an injury occur while in the program.

Activities

Students in the after-school program should bring a snack, as MCS does not provide snacks during this time. Students will primarily be involved in play activities (on the playground if weather permits), homework, reading or watching videos on a limited basis.

Pickup

At 3:30 p.m. each day students who are part of the after-school program will be sent to the appropriate room for supervision to begin. Any students who are not a part of the program, but have not been picked up by 3:30 p.m., will be sent to after school care.

******Please Note: The parent must personally sign children out from after school care. CHILDREN WILL NOT BE ALLOWED TO WAIT FOR PARENTS OUTSIDE THE BUILDING OR TO MEET PARENTS AT ANY OTHER LOCATION.** Children will not be released to any person other than the parent, or those persons listed on the child's pickup list. Individuals not known to our staff should be prepared to provide identification. The school should be notified in writing if a person other than those already authorized will be picking up your child. **When picking up children please go to the elementary playground door and ring the doorbell on the door.**

The aftercare program closes each day at 6:00 p.m., and parents will be charged a late fee beyond this closing time (see fee schedule). If possible, please notify a person on duty if you anticipate being late. A late fee will still be charged.

Repeated pickups after the 6:00 p.m. closing time (3 or more times) could result in dismissal from the program.

Discipline

Students in the program are expected to adhere to the standards of discipline outlined in the Maryville Christian School Student-Parent Handbook. The program reserves the right to dismiss a student who consistently creates discipline problems that are detrimental to the other students enrolled in the program.

Illness

The program cannot care for sick children. Please do not send your children to the program if they are ill. If your child becomes ill during program hours, you will be notified and asked to come immediately and pick up the child so as not to affect the others.

Medication

Parents are advised to give medication at home on a schedule other than the time the children are in extended care. Due to limited access to our MCS clinic before and after normal school hours, the program asks that parents refrain from asking program personnel to administer medication.

Dates we are Closed

Aftercare will not be open on dates that the school is not open. Some of those dates include Fall Break, Christmas Break, Spring Break, snow days, etc... Please check the school calendar for the anticipated closure dates.
