

ACADEMIC PROFILE
2023-2024

CEEB CODE: 431301

Maryville Christian School exists to partner with Christian parents by providing academically excellent, biblically-based education, producing students with distinctive Christian character.

THE SCHOOL

Maryville Christian School is a Christ-centered, college preparatory, independent, and inter-denominational Christian school serving students PK3 through 12th grades. We have a 28-year history that began with a small group of Christian parents with a solid commitment to creating a school that could offer their children a strong academic experience integrated with God's word. Today, that same goal is at the forefront of everything we do at MCS. We are blessed to be continuing that important mission.
