After Care (3:00pm–6:00pm)	-	-	-	\$5 per hr

Fees are non-refundable.

Tuition

FACTS gives flexible payment options so that you can select what works best for your family. Automatic payments can be made from a checking account, savings account, or credit card. In the event that payment is not received by one week after the due date, a \$25 fee will be applied to the account. Tuition paid over the summer is non-refundable.

Continuous Enrollment Fee

The continuous enrollment fee holds a place for your child for the next academic year and covers registration costs. This fee is billed to your FACTS account in March and is due on April 15. No refunds of the Continuous Enrollment Fee will be given after April 15 except for the following circumstances: Moving/relocation 30+ miles away from MCS or disenrollment at the request of MCS.

Facility Fee

All students are required to pay an annual facilities fee. This fee is an investment in the maintenance of our buildings and grounds. This fee is billed to FACTS on June 1 and is non-refundable.
